What Are Cookies

As is common practice with almost all professional websites this site uses cookies, which are tiny files that are downloaded to your computer, to improve your experience. This page describes what information they gather, how we use it, and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored; however, this may downgrade or 'break' certain elements of the sites functionality.

For more general information on cookies see the Wikipedia article on HTTP Cookies.

How We Use Cookies

We use cookies for a variety of reasons detailed below. Unfortunately, in most cases, there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all cookies if you are not sure whether you need them or not in case they are used to provide a service that you use.

Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of this site. Therefore it is recommended that you do not disable cookies.

The Cookies We Set

- **Account related cookies**

  If you create an account with us, then we will use cookies for the management of the signup process and general administration. These cookies will usually be deleted when you logout; however, in some cases, they may remain afterwards to remember your site preferences when logged out.

- **Log-in related cookies**

  We use cookies when you are logged in so that we can remember this fact. This prevents you from having to log in every single time you visit a new page. These cookies are typically removed or cleared when you log out to ensure that you can only access restricted features and areas when logged in.

- **Email newsletter related cookies:**

  This site offers newsletter or email subscription services and cookies may be used to remember if you are already registered and whether to show certain notifications which might only be valid to subscribe/unsubscribed users.

- **Forms related cookies**

  When you submit data to through a form such as those found on contact pages or comment forms, cookies may be set to remember your user details for future correspondence.

Third Party Cookies

In some special cases, we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

- We also use social media buttons and/or plugins on this site that allow you to connect with your social network in various ways. For these to work the following social media sites including;

  - Linked In

  will set cookies through our site, which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.
